

2020 BYOD Student Learning Expectations

All students using devices to support their learning at Stretton State College are required to comply with the following expectations regarding their use. Our BYOD Student Learning Expectations are intended to be a student friendly version of our BYOD Handbook.

During Lessons

Your device is a teaching and learning tool. To make the most of learning time the following routines for the use of your device have been developed.

- I will ensure the required programs / applications are installed on my device,
- I will ensure my "screen is down" as directed by my teacher,
- I will ensure that I am only using programs / applications as directed by teachers.

Communicating with Others

Your device will be an invaluable tool for connecting you to vital information within and beyond the College.

- I will have "iMessage" and like messaging services disabled when I am at school or connected to the College network,
- I will keep my personal password secure and not share it with anyone else,
- I will not attempt to use anyone else's password or login details,
- I will inform my teacher immediately if I receive a message that is inappropriate or makes me feel uncomfortable,
- In line with cybersafety recommendations, I will not store, send, or upload photos of myself, other students, staff or visitors to the college without necessary permission,
- I will not reveal personal information including names, addresses, photographs, credit card details or telephone numbers of myself or others in any way,
- I will not engage in cyberbullying, threaten, or harass anyone and understand that if I do so, it may be passed on to the Queensland Police Service.

Use in and Around the School and at Home

As learners, we must ensure we are ready and prepared to learn, and that we know when it is appropriate to use our device.

- When outside of class with my device, I will keep it in its protective case inside my school bag and will not leave my bag unattended. I will not use my device before and after school on the school grounds,
- I will not take photos or videos of anyone in the school without permission from my teacher,
- I will ensure my device arrives at school close to fully charged each day,
- I will ensure an appropriate protective case is used for my device at all times, and will not use my device if the screen is dangerously cracked,
- I will ensure that all web browser tabs are closed prior to arriving at school,
- I am aware that all use of internet and online communication services can be audited and traced back to myself,
- I understand that the same rules apply if I am at Outside School Hours Care,
- I won't allow other students to use my device,
- I understand that if I do not follow all school rules, my device may be removed and kept in the school offices until my parents can collect it.

Safety and Security

The safety of Stretton students when working in an online environment is a high priority.

- I will not make any attempt to bypass Education Queensland's filtering system,
- I will not use VPN (Virtual Private Network) software within the College,
- I have set a password / passcode on my device to ensure it can only be accessed by me,
- I will not connect to a mobile data network connection via a SIM card or by connecting to my phone,
- I will not intentionally download unauthorised or inappropriate software, images or music,
- All files I access, and use must be acceptable under current copyright laws,
- I understand it is my responsibility to protect my device against theft, damage or loss,
- On my Education Queensland provided OneDrive account, I will only store school related work files.

I have read and understood the rules above

Student Signature: _____

* Your teacher will keep this signed copy of your agreement

Participant's Agreement

By signing below, you are confirming that you have read and understood Stretton State College's BYOD Handbook, the BYOD Student Learning Expectations, the Acceptable Computer Use and Internet Access Agreement, the Online Risk Review and the Responsible Behaviour Plan, and that you will act in accordance with these expectations.

- I agree to abide by the guidelines in all documents,
- I agree to contribute \$30 per annum for my child to access the BYOD program (For clarification of payment options and details please contact administration),
- I understand that failure to comply with the BYOD Participant's Agreement will prevent the device from being used within the college,
- I have discussed the Learning Expectations above with my child.
