Stretton State College
Academic Scholarship 2015

Stretton State College is committed to providing increased opportunities for students to develop their talents and represent the College in their chosen field. In recognition of the academic achievements of exceptional students, the College administration has much pleasure in offering a number of academic scholarships for new students wishing to enrol in the Stretton State College Lighthouse Academic Excellence Program in Year 7, 2015.

Lighthouse classes are offered in each Year level from Year 5 to Year 9. An explanation of the Lighthouse program can be found at: https://strettonsc.eq.edu.au/Curriculum/Excellenceprograms/Pages/Lighthouse-Academic-Excellence-Program.aspx

The scholarship will be offered for the year of entry only and represents a value of approximately $1000 which includes:

- Shared Resource scheme
- Laptop fee
- Uniform (one formal uniform and one sports uniform)
- Entry fees for academic competitions

Scholarship recipients are expected to be academic role models and participate fully in the academic extra-curricular programs of the school.

Scholarships may be withdrawn if any of the above conditions are not met. If such circumstances should arise parents/caregivers will be notified in writing and given an opportunity to show cause prior to a final decision being made.

A merit based process will be used to determine scholarship recipients —

- A written application
- ACER General Ability test score, test administered by the College (at applicant’s expense)
- Demonstrated high level of academic achievement
- Demonstrated involvement in wider academic school activities eg. internal or external representation in competitions eg. debating, public speaking
- A high standard of behaviour
- An interview

Scholarship application packages will be available from Term 3 from the school main office or by visiting https://strettonsc.eq.edu.au/Curriculum/Excellenceprograms/Pages/Academic-Scholarship-2015.aspx. Applications must be returned to the school office (Attention: Michael West) by Monday 11 August 2014.

The ACER General Ability test will be administered by the College on Wednesday 3rd September from 3pm. Successful scholarship recipients will be announced in early part of Term 4. Parents and students will be invited to a special ceremony at the commencement of the year where the scholarship will be officially presented.
