

# Investing for Success

Under this agreement for 2020  
**STRETTON STATE COLLEGE** will receive

**\$936.657\***

## This funding will be used to

Improve student literacy and numeracy performance across Stretton State College

- Build success for students in their early years of education
- Ensure application of the principles of personalised, differentiated learning by engaging students in learning opportunities appropriate to readiness and individual need
- Facilitate teacher and teacher aide professional development by building collective capacity
- Ensure high levels of student engagement in learning through programs and interventions which meet student need
- Ensure targeted intervention strategies for our most vulnerable students in our Special Education programs

## Our initiatives include

- Providing targeted intervention for students identified at all ability levels in order to maximise their achievement and growth in both literacy and numeracy
- Continue to develop and implement strategies which extend and support all students
- Implementing ongoing improvement plans in response to student performance data
- Continue to expand our student wellbeing initiatives
- Continue to build teacher and teacher aide capacity
- Continue to expand programs and interventions for our most vulnerable Special Education students
