

Investing for Success

Under this agreement for 2022
Stretton State College will receive

\$1,057,630 *

This funding will be used to

- Improve student literacy and numeracy performance across Stretton State College
- Build success for students in the early years of education
- Ensure application of the principles of Cultures of Thinking across the College
- Ensure differentiated learning by engaging students in learning opportunities appropriate to readiness and individual need
- Facilitate teacher and teacher aide professional learning by building collective capacity
- Ensure high levels of student engagement in learning through programs and interventions which meet student need
- Ensure an inclusive P12 approach to ensure targeted intervention strategies are implemented for our most vulnerable students in our Special Education programs
- Educate our community about the importance of positive and character education through evidence-based frameworks
- Creating leadership and character development opportunities for all students that strengthen student voice, build confidence, resilience and optimism, allowing students to discover their unique talents and strengths.

Our initiatives include

- Providing targeted intervention strategies for students identified at all ability levels in order to maximise their achievement and growth in both literacy and numeracy
- Continue to develop and implement strategies which extend and support the academic and personal development of all students.
- Implementing ongoing improvement plans in response to student performance data
- Continue to expand our Cultures of Thinking initiatives P12
- Continue to expand our student wellbeing initiatives P-12
- Continue to build teacher and teacher aide capacity and focus on staff wellbeing initiatives
- Continue to expand programs and interventions for our special education students

Our school will improve student outcomes by

- Early years targeted interventions strategies
- Teacher Aide and Teacher support for Literacy/Numeracy initiatives
- Strategic Improvement Initiatives – P12
- Speech language support
- Student wellbeing strategies/initiatives
- Strategic Improvement Support
